

**Welcome Function on 16-09-2013 at Dept. of CSIT, Dr. BAMU,
A'bad.**

**“A beautiful thought: No one can go back and change a bad beginning;
but, anyone can start anything, anytime and create a successful ending”**

Respected Dr. K. V. Kale sir, Chairman of today's function,

Respected Dr. S. C. Mehrotra sir, very Special Guest,

Respected Dr. R. R. Deshmukh Sir, Guest of Honor,

Respected Dr. B. W. Gawali Mam, Guest of Honor,

Respected Dr. S. N. Deshmukh sir, Guest of Honor,

All Faculty Members,

Non-Teaching Staff and

All my beloved Dear Students friends.

I take this opportunity to welcome all I Sem Students. I also take this opportunity to congratulate to III Sem Students for organizing such nice beautiful function. It shows your cultural abilities, Leadership qualities and group activities. Development of such extra co-curricular activity is also equally important with academics. Such functions are really a good platform for students to show their talent. Today, it is indeed need to have all-rounder personality.

As this program is also on occasion of Teachers Day hence I would like say:

“The whole art of Teaching is only the art of awakening the natural curiosity of young minds for the purpose of satisfying it afterwards”

Teacher means:

T- Talent

E- Education

A- Attitude

C- Character

H- Harmony

E- Efficient

R- Relation

“Real Fact: Fruit trees are always plant by any person to get good fruits, fresh air etc to others, he may not get the chance or even time to test them; this can do by heart only the best Teachers like today seating on the dais”

They have taken our all most all care and result out of their efforts, commitment, sincerity; dedication is the development of our Department. To do this they might have some time compromise with their own and family development also. They always accord top priority to our Department.

“Life is not just waiting for someone who is made for you.....! But, life is living for someone who lives because of you.....”

I Congratulate to I Semester Students for getting admission in this Department. This Department is well equipped with all modern state of art facilities in class rooms, Laboratory's and research Labs.

We have also provided facility to refer Books in the Department through Departmental Library. We have extended it by giving E-contents like E-Journals, E-Books, Video Lectures, Webinars, News Papers, Magazines, Employment News etc. in the Department. I am very proud to say that all these activities are managed by **Students for Students**.

“Never calculate a person on his present position, because TIME has the power to change an invaluable stone into valuable Diamond”

We have provided internet access to each and every Desktop in the Department with individual login and password for authentication and monitoring. Very soon we will also give you ready contents of all the courses on intranet so that students can get access of teaching materials, assignments, sample question papers, , feedback, even we will conduct examination online. This will ultimately help to improve the quality, efficiency, transparency etc.

With University campus network you have facility to access 3 Million E-Books through INFLIBNET facility and more than 25,000/- E-Journals, Thousands of Video Lectures etc. Please avail this facility.

“Great lines by Shakes Spheare in his novel help is very expensive gift, so, don’t expect it from everyone, because very few people like our Respected beloved Teachers are RICH by heart....”

Please access free electronic newsletter like IEEE Spectrum, Vision system, etc. they published all current developments from worldwide industries of Electronic and Computer Science and IT. At least u begins first to select seminar topics from these newsletters then slowly once it is habitual u may go for selecting your project titles, dissertation topics, research topics etc. most important thing of these newsletter is that they give us email alerts, so we need not have to go to their sites and check. All new updates are sends to our email ids once we are registered user.

“A good Teacher is like a candle; it consumes itself to light the way for others”

I am very proud to say Faculty strength of our Department is very good. Most of the Faculties are SET, NET, Ph. D. Young Scientist awards etc. Very high profile faculties we have in our Dept it is really matters in student development. Most of the Faculties have been recognized by National and International Authorities and Agencies. As a result our Dept has mobilized remarkable grants for student development. Our Department is always taking a lead to organized Seminars, Industrial Lecture Series, Workshop, Trainings and Conferences on latest trends and technology as per market needs. We use to prepare our academic calendar every year at the beginning of academic

year; it seems our Dept takes riggers planning and follow-up of academic scheduled.

“Life is full of challenges, opportunities, success and failure, Teacher guide us to see beyond the inner limits and strive for excellence”

Some unique features of Department:

1. Bridge Course: it is the concept to fill the gap between Average, Good and Excellent Students.
2. Remedial Courses:
3. Service course:

What we expect from you:

1. Discipline
2. Regular and sincere
3. Be in time
4. Be updated
5. Do your class work and home works in time
6. Your real feedback about Faculties and Department facilities will helps us to improve our self a lot.
7. Be progressive
8. Be interactive in class as well as in lab
9. Don't miss your class Test, Tutorial, Theory and Practical assignments, examinations etc.

10. Be clear your any smallest doubt in the class, don't carry them with u
11. U must be soft spoken
12. Be always ready and appear for Campus interviews.
13. Quest for Knowledge
14. Think Differently

“To encourage is not the job of an ordinary person It needs courage to stand up and guide”

Meaning of ASK:

Always Seek Knowledge

If u follows these, I assure u:

Right person will get right job in right time and at right place.

Remember 4 C's:

Carriage

Creative

Confident

Correlative

**“I pray for u
A life that u truly deserve
A life as good as your heart.....
A life as bright as your smile and
A life as wonderful as u r”**

Its my kind request Please develop your, self-learning abilities. It is natural process. As per medical science and Psychology our brain is not Inheritable like other organs of our body. So, we do not get intelligent from our parents. It is develop through how we expose our self in the nature. It is also develop by experience; by example, by practice etc. It seems there is no alternative for hard work. The specialty of our brain is that maximum utilization will make us sharp, intelligent and even expert. So, do utilized as maximum as possible.

“The path of success is neither easy nor swift”

“The fragrance of flowers spreads only in the direction of the wind..... but, the goodness of a person spread in all directions”

I am very much thank full to u all for giving me a chance to share my views, I am also thankful to u for your patience hearing.

At last I wish u all the best for your bright future, good health and wealth.

Thank u thank u very much.
